SETTING THE STANDARD FOR EXCEPTIONAL OUTSOURCING

1-866-904-LAVA / [WWW.CENTRALDENTALCREATIONS.COM](http://WWW.CENTRALDENTALCREATIONS.COM)

## Required for all cases

- Properly filled out RX form w/ your requests and business information.
- A working indexed model, white or ivory die stone for best results – Dies not painted or sealed. All dies must be removable from the base. Or final impression, if we are completing model work.
- Dies with 360 degree chamfer margins, please no gutter or knife edge margins.
- All bridges must have a proper path of insertion with parallel axial walls. All margins must be visible on all preps at the same time.
- Bridges must be removed from any type of articulator.
- One shade only for cores.
- Bite with preps to be used in determining proper support.
